

Local Visit:

Year 2 Playground Walk

On Tuesday, 3rd October Year 2 visited a local playground as part of their theme 'Where We Live'. They researched the different types of equipment in preparation for planning and making their own models and they also investigated the different materials the equipment was made from as part of their Science learning this term. A fun afternoon was had by all!

WHOLE SCHOOL CURRICULAR DAY

MAKE DO AND MEND

Last Friday everyone took part in a fantastic day of recycling and repurposing objects.

The children looked carefully at the whys and wherefores of recycling.

They took into consideration what can and can't be reused and began to think about what happens to our rubbish. This was a great opportunity to evaluate what we have and how it can be repurposed before being thrown away!

The children investigated how our resources are used and this linked closely with rationing in WW2. Children discovered that recycling and reusing is not a new idea!

Each year group faced a different challenge from building the tallest tower to changing an everyday item into something new and useful.

I liked it when we made our pencil pots from a water bottle. It's not good to just throw it away in the bin! Isaac

I learned that when it was the world war they didn't pay money but had stamps from a little book instead. Matthew

We built a really big tower. We used lots of water bottles and milk bottles, boxes and sellotape. It was only a little bit easy and it was fun. Molly

Multi-Skills competition held at the Pemberton Centre

On Tuesday, 10th October ten children from Years 3 and 4 competed in a Multi-Skills competition held at the Pemberton Centre. The children had to accumulate points in a circuit of activities which focused on a number of physical skills. Some of the activities included agility runs, stepper run, speed jumping, obstacle run and a bean bag thrown while balancing. The children had to complete each station as a team to collect as many points as possible. During the circuit the **children gave each station their all, showing resilience and team work.**

We were so proud at the fantastic efforts put in by each member of the team. The sportsmanship shown by the children to each other throughout the afternoon was outstanding.

The children really made Henry Chichele Primary school proud. From the seven station circuit the children accumulated an incredible **1084 points!**

To finish the afternoon each child competed in team relay races or a relay hurdle race. The team were so proud of how well they had competed and **were ecstatic to come 2nd** in the whole competition out of seven teams!

A massive congratulations to our Years 3 and 4 children!

Jeans for Genes and Macmillan

Thank you to everyone who donated to these worthy charities, we now have the grand totals raised for each; Jeans for Genes **£223.23** and Macmillan **£476.37**. An amazing effort! Thank you once again!

School discos

We are holding a Bonfire Disco on **Wednesday, 1st November 2017 in the school hall.**

Reception class, Years 1 and 2, 5pm - 6pm £2 per child.

Years 3, 4, 5 and 6, 6.15pm - 7.30pm £2 per child (Hot-dog available for further 50p).

This is pay on the door, you will sign your child/ren in and leave an emergency contact number.

Future disco dates for the diary:-

Valentines Disco - Thursday, 8th February 2018

Summer Disco - Thursday, 21st June 2018

Individual School Photos

School photos are being taken on the morning of Thursday, 2nd November. As in previous years, you are welcome to bring pre school children to have their photo taken with their sibling; these are being done from 8.20am at 5 minute intervals. Could you please email Miss Hartop with your preferred time slot, by Friday, 20th October and we will try to accommodate you ghartop@henrychichele.northants.sch.uk

Acorn

Our new provider for wrap around care now has an email address for our school henrychichele@acornchildcare.co.uk please contact them directly with any queries you may have.

Parents' Evening

You should now have received your appointment times, if not and you would like to see your child/ren's class teacher, please contact them or the school office. If we have not received your Data Collection Sheet you will be asked to sign it on the night and some teachers may ask you to fill in a home time collection sheet as well.

A reminder that it is the last day of term on Friday, 20th October, which is a MUFTI Day, donations towards the minibuses would be appreciated.

School re-opens to pupils on Tuesday, 31st October.
